Description: Love is the ultimate game at play; the stakes are high, and the results are eternal.

I've always known that I never quite fit in. I know what people say about me. Or, more like, hear what they think about me. That I'm odd. Unnerving. A troublemaker. The black sheep of the legendary royal Romano-Black family. And they'd be right.

Being a vampire princess comes with a responsibility to keep the peace my parents have worked so tirelessly to achieve, yet all I crave is the thrill of the dark, forbidden and dangerous. So, when I catch the attention of a savage monster shrouded in myth and long believed to be extinct, I know I shouldn't be this excited.

A twisted but thrilling game of hide-and-seek ensues as I become determined to capture my predator of the night while it stalks me from the shadows. I become obsessed with uncovering its secrets, but to find the answers I seek, I am drawn into the deadly world of The Underground. A prestigious club for only the most despicable and deranged of our kind. And none are more ruthless than its merciless ruler, Luka Nezera. They call him the Devil's Dealer. He's unapologetic, cocky and refuses to play fair. Luka is more of a beast than the one stalking me, yet I find his enigmatic presence, dark musky scent of sin and haunting beauty are distractions I desire as much as I hate. He says I am his. His to corrupt, his to protect and his to ruin. But I am nobody's possession.

Only he has the power to help me uncover the truth, but his help comes at a price.

His dark soul for mine.
