**Description:** When Life Gives You Lemons, Fake an Engagement

When investment banker Adrian and software engineer Rowena started the day, they didn't expect to end it engaged! But Adrian has invented a fake fiancée to impress his CEO, regretting the lie almost immediately, and now he is in hot water. Meanwhile, Rowena's career has just gone up in flames, leaving her unemployed, unexpectedly expecting with no father in the picture, and short of options. When fate throws these two hot messes into a meet-cute of epic proportions, it's a match made in rock-bottom heaven. They say love is blind, and with nothing to lose, Adrian gets down on one knee... and Rowena says yes!

The rules of engagement are simple:

Pretend to be madly in love

Keep their real lives separate

Absolutely, positively do NOT catch feelings

However, faking it is harder than they thought, especially when every overnight stay comes with only one bed and zero personal space—blurring that imaginary line between 'just business' and 'definitely personal.'

Soon, their carefully constructed charade starts to feel alarmingly... real. Can Adrian and Rowena stick to their engagement pact, or will their fake relationship graduate to something authentically messy, complicated, and wonderful?
