"So, Scar are you gonna go to Hank's party I heard there's gonna be beer and crap like that"

"No Han (Hannah) I don't drink and you know that, that's how you got raped remember"?

"Yeah but it's still fun".

"GETTING RAPED IS FUN YOU FUCKING CRAZY"

"So well I have to go ,lock faces with Hank love ya"

"Yup sure love ya to"

Skip lunch she found Hank and you know started kissing and eating

Next class was dicetcing a frog in Science GROSS

When I was dicecting the frog all I could think about was Mrs. Fianna strange thou but she is so beautiful, I just don't know why their's something I like about her she's different no, NO I have a boyfriend named Ben.

"Okay class very nice job, well class is over put everything away make sure you have

nothing on you hands or clothes when you walk out" Said our teacher Mrs.Bartel said

"AUSTIN, CHAD STOP THROWING THE FROG BACK AND FORTH IT'S NOT FUNNY STOP" , she yelled pretty loud the next door beside us heard and the teacher ran in and asked "what's wrong" Austin and Chase got sent to the princable's office on the first day of school it was pretty funny though but boy was the teacher pissed.

Next Period was Math (grr my worst subject)

I couldn't believe who was their.

~Chapter 2~ Wh-What?

(In Chapter 1 I put Hank but i'm changing it to Ben it was supposed to be Ben (Bennett) sorry so here it's her boyfriend Ben not Hank)

I couldn't believe who was their. It was Ben and Mrs.Fianna I didn't know she teached Math

"Take your seats please" Mrs. Fianna yelled over all the people talking/yelling loud

"Hey Scar how are ya" Ben kinda said as he was busy checking Mrs. Fianna out

I rolled my eyes and slapped him

"Wh-What THE HELL WAS THAT FOR" He yelled rubbing the back of his head
"That fucking hurt"

"Well that's what you get for checking out Mrs. Fianna pig "

"I wasn't" He said offensively

"No cussing Mr. Bennett Carter" Mrs. Fianna said

"Fine and please call me Ben"

"Oh you weren't then what did I just asked you"? I asked him to be sure if he was
"Really" listening

"How the hell should I know and I wasn't checking her out I was just trying to find out what she was writing on the board." He said smiling

"Hm since when do you read what teacher wright on the board save your bullshit to another girl who would believe you, you fucking pig were through" I said pissed

"Mrs. Scarlett Marie after class come talk to me I do not need that launge in my class and if Ben would like to he can stay after to" she said through gritted teeth being feed up with us.

Skip period all they did was learn math

Everybody started packing up to go home and I put all my stuff in my book-bag and forgot about staying after

"Scarlett are you staying after"?she said as soon as I was almost leaving out the door

"Yeah sorry forgot" I sad alittle sad because I forgot

"oh it's okay um what was with you and Ben, I know i'm not supposed to say this but he's a dick to you why are you even with him" She said with a half smile.

"because it's all for popularity and crap like that and I shouldn't be agreeing with a teacher :D but yeah you are right he is a dick why do you wanna know just wondering" I said raising an eyebrow

"because nobody should be treating anybody like that" She said with a little bit of angry in her voice *boy was that hot* ;)

"Thanks but I'm use to it people treat me like that all the time well I have to go before my um before I get into trouble" I didn't wanna say before my dads get worried yes I have 2 dads

"I will call and tell them I held you from going home sorry about that" She said apologetic

"It's okay you don't have to be sorry" I said smiling at her so she don't feel more worst about me getting in trouble.

"Hey um Scar would you like to go get a drink or something as a educational research thing for Math" ;) Mrs.Fianna said with a wink

"Um sure I would um like that" I said confused on what she really was talking about

"Cool" she said alittle to happy

'Bye" I said checking her out golly anybody would love her sexy body, the way her white t-shirt raps around her medium size boobs, and her ass golly the way it fits in almost any pants she wears CRAP NO SNAP OUT OF IT.

"Thanks Tracey looks like your my slave tonight"said Ashley with a really evil sneer "Yes I guess I am" Tracey said while laughing. She said looking concerned "Yeah their probably having fun" I said looking at my pile of unfinished laundry "Well I better get to the clothes then I have to do dishes" I said letting her know what I have to do "Okay" She said still sitting on my bed while I grabbed my dirty clothes and started doing the laundry which was down in the basement so I went down the stairs dropping clothes here and there and having to pick it up. When I was done putting the soap and clothes in and turned it on somebody came down the stairs to the basement. "Hey your dad said that you would be down here I just wanted to know if you needed help?" Ashley said looking to see

if I needed help "Nope just finished it but thanks thou" I said thinking her nobody has ever asked to help before I was just gonna go up the stairs when She pulled my arm which pulled me close to her body "So what's your answer?" She said with a big smile on her face "Well I say yes but I want to learn more about you" I said really honest I did she seemed nice "Well okay but you can't tell anybody" She said while holding my arm and pulling my body even closer then before "Sure no

Edward and Charlie yelled from "Yeah" We both called up in unison

Chapter 8

So we went to the movies and watched the Saw 8 movie (2012) My parent's like scary movie's I like them but not saw it's to gross but Ashley was all in for it so I just

sucked it up and watched the movie until have way thought the movie I thought I think I heard Hannah talking it can't be she don't like scary movies AT ALL. So I looked behind me. "Oh hey Scar why are you here and with Mrs.Fianna?" Ashley said looking at Hannah "Oh okay and is that any of your business but anyways i'm good well we better watch the movie and Scar please come to the bathroom with me" Hannah said looking at the person she was looking at so I followed her gaze and it was a girl? "Sure" I got up from the seat and followed her to the bathroom " Why are you here with a girl just wondering" " It's some girl don't worry about it why are you really here with Mrs.Fianna" She said practicaly yelling "Because my parent's invited them and she accepted so now tell me why are you really here with that girl" I said pissed I don't know why i'm in a jealous mood but why? " It's a girl no need to worry and Scar I know your lying i'm almost like your sister I know the ins and outs of you" Hannah said chuckling but maintaing that mad face of her's "Fine I just wanted to take Mrs.Fianna to watch Saw we were talking about it and she mentioned the new one that was coming out so I asked her if she would like to come with me and my parents" I said trying to maintain like I was really telling the truth "Okay and that girl is my "Friend" She said putting those quotations around friend "What you guys are sex buddies" I said shocked "No-No lol silly goose were friend's well maybe she's um my girlfriend I hope your not mad" She said looking down at the floor now "No it's okay let's just get back to the movie okay" I said not wanting to think any more this is all so confusing "Just one more thing Scar okay" She said still looking down at the floor "What is it don't tell me you need a pad" I said jokingly to make the tension go away "Um well I like you but I can't be with you" Hannah said and then walked out of the room leaving me dumbfounded I didn't know what to do it was so confusing to me why was I realived she liked me? And why is something telling me not to go their it's dangerous? Should I go after her but she said She can't be with me oh heck with it i'm going to go after her "Wait Han wait" I said trying to catch up to her before she leaves out the door "No i'm sorry Scar I know you don't have the same feelings about me like I do with you" Hannah said now walking out of the door "Han" I said and I finally found her

I said shocked "Oh nothing just wanted to do that" She said with a big smile I turned to look and seen Ashley there and before I could tell her anything she ran to the car and drove away "Thanks Han very much" I said pissed walking towards the movie theater "Your welcome babe" She said with another smile on her face "It's not funny Hannah I have to go I will talk to you later I have to figure things out" I said walking again "What do you need to figure out you can't have both of us you either want Mrs. Fianna or me you make your choice" She said walking towards me. "What do you mean" I looked at Hannah confused "You know what I mean I have to go there's someone in the movie theater that's better than you and not playing with my feelings by" She said that and then walked in the theater "Scar, Scarlet" I heard a man's voice calling me then I blacked out. "Scar, Scarlet" I heard a man's voice calling me then I blacked out *An hour later* I woke up to a strange room it was huge and it was tan on the walls when I got up I went into like this kitchen looking room yup it was the kitchen I seen

I said putting my hands together "I'm Edward remember me, we went to kindergarten back in the day" He said flipping pancakes "Yeah I remember you I called you Ward because I couldn't say Edward" I said laughing and then he laughed to Edward is like the biggest guy friend I had in Kindergarten I would go to him for anything and if he needed anything I would help him the funny moment was when we were eating fish sticks and he put it up his nose and everybody called him fishnose for a while funny times. "Haha yeah and remember fishnose" He said laughing even harder and his face turning redder "Yeah I was just thinking that um where am I and how long was I out for" I said looking around confused "You were out all night what happened?" He asked confused "Oh it's nothing thanks for asking thou" I said not wanting to talk about it so I looked at the floor "Okay but just know i'm always your kindergarten buddy remember how you would go to me with anything well i'm here now so yeah oh so how's your girlfriend" He said looking at me "Wh-What who told you , how do you know" I said looking confused and now looking at him "She didn't tell you did she" Edward said smiling now "No who, who she" I said getting more confused "Ashley Fianna, she's my, my cousin, she tells me everything" He said putting pancakes on two plates one for him and one for me and then said "Do you want some" I couldn't answer all I keep thinking was how the hell can Edward and Ashley be cousins?

"Are you okay?" Edward said looking at me weirdly like trying to figure out why I didn't answer "Um yeah sorry sure I would love to have some pancakes" I said just as soon as I said that my stomach growled "I can tell your hungry" He said laughing handing me the syrup "Um I don't like syrup" I said with a hint of humor "You are ? when we were little you use to eat syrup

like everyday" He said a little hurt that I didn't like syrup "I'm joking Ward now pore me allot my little fishnose" I said laughing harder "Oh you little" He said that and

knocked me out of the chair right on my butt "Oh no you didn't" I said getting up and taking the syrup and knocking him down and pouring the syrup on him "STOPPPP" He yelled "This is my freaking shirt" He said rolling over on top of me "Oh well you deserve it fishnose" I said still mentioning that I'm probably never gonna stop calling him that "You know what you don't stop calling me fishnose I will" He stop and then got off of me "You will do what fishnose" I said really curious of what he would do "You really wanna know" He said with a big smile "Yeah I don't think you will do anything" I had to open my big mouth with that he kissed me right on the lips and I pulled him off of me "Why did you kiss me you know i'm dating Ashley your cousin right?" I said pissed at him "Ever since kindergarten I liked you I couldn't get you out of my mind everyday I thought about you I know weird since we were little but when I found out you were here with my cousin I wanted to show you that i'm better than her and that I loved you first that her" He said looking in my eyes "I'm sorry Edward but I don't think I like you like that" I said but for some reason pain struck my heart.. I was afraid to loose my best friend "I knew it please just leave I need to be alone" Edward said with pain in his voice "Edward, no let me ex- He cut me off "No just leave I don't wanna ever see you, I loved you and you never even knew it you don't know how many times I cried, yes I cried knowing I will never see you again you took my heart with you when you left and you don't care I know it's because you love Ash leave me alone please just go" With that he shoved me out the door in the pouring rain I stood there in the pouring rain still shocked from what happened.

I know it's wrong but I Just had to do it I didn't trust her now I can. "How can you like her though, s-she's different" Edward said looking sad "What do you mean" I asked confused "S-She use to be soo, happy now she seems like she's in hell" Edward said counting the money "Oh, that's strange" I thought "You only gave me 80 dollars you said 100 now where's my 20" Edward said "Find" I handed him the 20 "Now get out of here I need to talk with Scar" I said happy but sad "Bye" He smiled and then left I looked at my money I knew I had 200 so I knew to give him half when I looked I realized he did have 100 he lied to get 20 more bucks that asshole" I thought I started calling Scar but no answer "Hi this is Scarlet, you know what to do name, phone, message" The answering machine said in her voice "Dammit where can she be she said that she will call when she got home i'm gonna go looking for her" I thought scared what might happen, I grabbed my keys and went for a ride to look for her. heart "Can I talk to you Scar" I said worried "Yeah she said let me clean up a little" She said going upstairs "Take care of my little angel don't hurt her please" She said, A little to late I said thinking "Okay i'm ready" She said wearing a tank top and short shorts damn she looked fine and the rain stopped and it was hot out now crazy how our weather is "Okay" With that I kissed her on her cheek " Come with me" I said "Okay" We drove in silence but I could tell she's happy to be with me and I felt guilty knowing I was also her reason to cry but I just ignored it . We finally got to the beach I layed down a picnic and lit the candles it was starting to get darker it was around 7 ish "This is so beautiful" She said I then layed her down on the blanket and started kissing her, I went down and took her shirt off and then her bra her nipples got hard from the little bit of wind blowing and then she said ' I love you" and that's when I frozed "I-I love you to" I said to her and then she took of my pants and rolled me onto the blanket
