

# Victorious Vice

**Author:** *Helen Hardt*

**Category:** Erotic, Romance, Billionaire Romance, Crime And Mafia

**Description:** When love is a vice, victory may rewrite fate...

After a tragic loss and a devastating secret shatter his world, Vinnie Gallo is more determined than ever to take down his family's cruel and evil empire. A trip to Colombia unearths a tangle of secrets, revealing dark truths that could shift the balance of power. But amidst the chaos, Vinnie stumbles upon a single discovery that could become the leverage he desperately needs.

Raven Bellamy refuses to stand idly by as the man she loves sinks deeper into the shadows of vengeance. She won't cower in the face of the danger Vinnie embodies. Her lover may be gone, but she's determined to get her new non-profit organization off the ground while continuing to fight for the future she dreams of building with Vinnie.

Though Vinnie vows to be strong, Raven haunts his thoughts despite the distance. He is determined, but any victory will be bittersweet. Because in his world, love isn't just a weakness. It's a weapon, and he's about to wield it like never before.
