Author: *No Name*

Category: Psychological, Survival, Philosophical, Sci-Fi, Post-Apocalyptic

Description: Before The Horizon Fades follows humanity as it faces certain extinction. A global catastrophe—whether natural, man-made, or alien—is confirmed, and humanity has only one year left. As society unravels, Dr. Evelyn Carter, a scientist racing to understand the disaster, grapples with her inability to find a solution. Her younger brother, Liam, an idealistic social worker, pushes for action, trying to make the most of the final year by spreading hope and connection. Amid chaos, love, loss, and existential reflection, people struggle to find meaning in their last days. Can they fight for survival, accept their fate, or forge a new path? Before The Horizon Fades explores how individuals and society cope with the knowledge of imminent doom, delving into themes of mortality, hope, and the search for meaning in the face of inevitable death.
