Description: Mika, a high school student, lost most of his emotions due to a brain tumor he had in his childhood.

After losing one of the most important things in his life, he stopped going to school and set himself a single goal: to earn a lot of money so that he could regain his emotions in the future with the power of wealth.

Unaware of how his life would change, he continued to live in this seemingly meaningless existence.

However, everything changed when a random person entered his life. Little did Mika know that this encounter would be unlike anything he had ever experienced before. The person who came into his life would bring something different, something beyond his sole purpose.
