

# Shift

**Author:** No Name

**Category:** Action, Adventure,, Shounen, Supernatural

**Description:** Reality is not so rigidly defined.

Everything changed the moment a foreigner wielding sand and floating in the air attacked Yuki Hayashi. Both should have been impossible feats, features of dreams and fiction. This was his new life. A vast secret world begins to open up to him as he learns about this power he too possesses, the ability to rewrite reality with his imagination.

Shift is a long form serialized story inspired by Shounen Jump battle manga. A large cast of characters and genre hopping, Shift will have a little bit of everything. Each arc is long and will be defined by a core main character and theme, that main character will not always be Yuki.

Chapters are released on a Tuesday, Thursday and Saturday schedule. Chapters will be about 2k-2.5k in length.
