

# Why Kill? When Witches Can Be Tentacled!

**Author:** No Name

**Category:** Fantasy, Comedy, Isekai, Ecchi, Magic

**Description:** Misunderstandings - created at a glance, but difficult to get rid of. Two people are caught in the midst of them, fighting to find a place for themselves. For Maribell Schuzen, stumbling upon the Grimoire of Lies meant being labeled as a Witch, a follower of the slain Demon Lord and enemy of the entire world. For Snazzy-chan, a popular streamer and otaku extraordinaire, a new fate has him wrapped up with tentacles. Tentacles, you say? Why, Snazzy is now a jellyfish of all things!

“But don’t worry, Snazzy is a gentlemanly jellyfish!”

Swearing to protect Maribell with all that his little body can do, Snazzy will show the world that keeping a Witch wrapped up is preferable to a dead Witch!
